Innovative Solutions In Kuwait From Leading Global Brands Since 1980

Al Mulla Office Automation Solutions delivers advanced products from globally recognised, market-leading brands in Kuwait, backed by award-winning after-sales service. Complete solutions beyond standalone products maximise Return on Investment (RoI) and secure a competitive edge, with five-year recognition from Konica Minolta and SHARP across MFP and related segments.

Multi-Functional Printers

High performance B&W and colour Multi-Function Printers (MFP)

KONICA MINOLTA

SHARP

Maximise productivity and control with Sharp and Konica Minolta B&W and colour Multi-Function Printers. Features include fast scanning, cloud connectivity, secure release printing, layered data protection, and streamlined workflows.

Production & Industrial Printers

Sheet-fed and web-fed digital Production Printing Machines, wide format, UV, embellishment and other finishing tools.

KONICA MINOLTA

KIP

Roland

MGI Digital Technology

Enhance output with high-performance and cost-efficient production printing. AccurioPress automation and finishing reduce touchpoints while the AccurioLabel adds white toner for short runs. Roland UV print/cut and KIP wide-format deliver precise results.

Self Service Kiosk

Touch-Function Digital Kiosks, Vending Machines, Currency Dispenser and more

b.t.c. grupa

Infinite Business solutions

Automate service delivery at scale with next-generation kiosks from Al Mulla OAS. Over 100 units across Kuwait support secure KNET payments and, powered by BTC and Infinite Business Solutions, speed transactions, shorten queues, ensure compliance, and maintain consistent customer experiences while reducing operational load.

Digital Transformation

Document Management, Digital Archiving, Scanning, OCR, and Enterprise Solutions

Laserfiche

PaperCut MF

DOKMEE ecm

myQ X

Automate end-to-end workflows from the first customer touchpoint with Al Mulla OAS. Advanced capture and OCR technologies digitise documents and convert them into structured workflows, while enterprise content management and print management platforms enable secure routing, approvals, audit trails, regulatory compliance and effective cost control in high-volume enterprise environments.

Digitise. Automate. Accelerate

Archiving & Process Automation

Printed Document

Scanning Operation

Digital Enhancement, Indexing and OCR

Export to Enterprise Management Solution

Visual Technology

Intelligent White Board, LED Poster, Indoor and Outdoor LED Screens

SHARP BenQ LIGHTECH Light to the future

Enhance presentations and advertising with state-of-the-art visual technology. Sharp interactive whiteboards and nano pixel-pitch LED screens deliver sharper visuals, stronger engagement, and greater impact across SMEs, corporates, educational institutions, ministries, and banks.

Currency Managment

Cash-Counting, Sorter, Counterfeit Currency Detection, Wrapper, etc

GLORY HITACHI Inspire the Next cps

Boost cash-centre productivity with trusted currency management from Al Mulla OAS. Glory, Hitachi, and CPS solutions deliver high-speed multi-currency counting, sorting, fitness analysis, serial-number/OCR capture, and counterfeit detection, while vacuum note counters and coin wrappers reduce handling time, errors, and ensure compliance across branches, retail, and CIT.

The Trusted Service Provider

- After-sales service tailored to operations, budget, and security
- Long-term partnerships safeguarding uptime and performance
- Skilled specialists ensuring rapid response and minimal downtime
- Full availability of spares and consumables
- Auto-complaint dashboards improved continuously via customer feedback
